EVENT NAME : Inter-College Blitz Chess Championship

EVENT DESCRIPTION:

Tamil Nadu's first prestigious competitive inter-college chess blitz championship. The event follows a hybrid format combining an online qualification stage conducted on the Lichess mobile platform with an over-the-board physical knockout stage, culminating in the crowning of a single overall Champion. Only the Champion shall be awarded.

TEAM DETAILS:

Individual participation. No team formation required. Each participant competes independently. A maximum of 4 players advance from the online qualification stage to the physical knockout rounds, regardless of total registrations.

EVENT DURATION:

90 minutes total, structured as follows:

- 0–15 min: Opening, verification & tournament code announcement
- 15–50 min: Stage 1 — Online Arena (35 minutes, 3+2 Blitz)
- 50–60 min: Qualification announcement & board setup
- 60–72 min: Semifinals (simultaneous, 5+0, hard cap 12 min)
- 72–90 min: Final (5+3, DGT Chess Clock, hard cap 18 min)

No breaks permitted unless a proven emergency is declared by the Chief Arbiter.

EVENT STRUCTURE:

Stage 1 — Online Qualification (Arena Format) Platform: Lichess Mobile Application | Duration: 30 minutes | Time Control: 3+2 Blitz | Pairing: Automated Arena System | Berserk: Not permitted

Ranking: Primary — Total Points (Win: 2, Draw: 1, Loss: 0). Consecutive wins activate double-point streak. Tiebreaker — Tournament Performance Rating (TPR), auto-calculated by Lichess. If tied at 4th place after TPR — coin toss by Chief Arbiter for colour assignment, followed by an Armageddon game (White: 5 min, Black: 4 min, no increment; draw = Black wins).

Top 4 qualify regardless of total entries.

Stage 2 — Knockout (Over-the-Board) Semifinal 1: Rank 1 vs Rank 4 | Semifinal 2: Rank 2 vs Rank 3 | Final: Semifinal winners

Semifinal time control: 5+0. Final time control: 5+3 on DGT Chess Clock. One game per match. If drawn → direct Armageddon (White: 5 min, Black: 4 min, no increment; draw = Black wins). No intermediate blitz game.

Participant Verification & Access Control Day before: Participants submit name + Lichess ID via WhatsApp group → verified list created → approved accounts added to official Lichess Team. At venue: physical identity check → whitelist confirmed → tournament code announced only to verified participants. Must be in Team + know code to enter tournament.

Late entry permitted up to 10 minutes from commencement. No exceptions after.

RULES AND REGULATIONS (Include Evaluation Criteria):

Eligibility & Verification

- Only pre-verified Lichess accounts accepted. Accounts must be submitted day before via WhatsApp group and approved into the official Lichess Team.
- At venue, each participant is physically verified against registered name and Lichess ID before entry.
- Tournament code announced exclusively at venue post-verification. Dual-access (Team membership + code) mandatory to join.

Technical Regulations (Participant Mobile Data Model)

- Lichess Mobile Application only. No PC, laptop, or browser.
- Phone flat on table, maximum brightness at all times.
- Do Not Disturb + Silent mode mandatory. No notifications, no app switching, no background apps, no screen lock during game, no phone calls.
- No headphones, Bluetooth devices, or smartwatches.
- Participants solely responsible for network stability.
- Violation of any regulation = immediate forfeiture.

Connectivity & Fair Play

- Individual disconnection does not warrant rematch.
- Arena standings at closing time are final.
- Fair play governed by Lichess platform. Flagged accounts may be disqualified.

Break Policy

- No breaks permitted at any phase. Continuous schedule from Stage 1 to Final.
- Emergency break only if proven, at sole discretion of Chief Arbiter. Decision is not subject to appeal.

Evaluation Criteria / Ranking

- Stage 1: Total Points → TPR → Armageddon (if tied at cut-off)
- Stage 2: Match result → Direct Armageddon if drawn
- Chief Arbiter's decision is final and binding in all matters. All disputes must be raised immediately.

INFRASTRUCTURE REQUIREMENTS

Stage 1 (Online)

- Stable personal mobile data per participant (Participant Mobile Data Model)
- Lichess mobile app installed and account verified on each participant's phone

Stage 2 (Physical)

- 2 standard chess boards with digital clocks for simultaneous semifinals
- 1 DGT Chess Clock for the Final
- Seating arrangement for 4 players (2 boards side by side for semis)

General

- Projector or display screen (for announcing Arena standings and Top 4)
- Entry verification station with printed verified participant list
- Chief Arbiter present throughout with full authority
